MEMORANDUM FOR: Special Assistant to the Director
for Planning and Coordination

SUBJECT: Rockefeller Briefings

1. I am informed that Park and Mr. Rockefeller have arranged that after your luncheon with the latter on Monday the two of you will meet with Park, Allan Evans and Henry Loomis to discuss the attached paper. This paper was prepared by Allan Evans during this week after Mr. Rockefeller had suggested to Park that they discuss this matter of the briefings so as to include the utilization of the State Department materials. Allan got Henry Loomis and me to go over this paper with him and it now reflects the changes that were suggested.

2. It is my understanding that Park will give this to Nelson as a basis for discussion on Monday when they convene after your lunch.
